Promise

I Promise on my honour to do my best, to do my duty to my God* and my country, to help other people at all times and to obey the Guide Law.

**The word "God" can be replaced by the word "faith" according to one's spiritual beliefs.*

There are four categories of Senior Branch and most SB members are a mixture of all of them! Senior Branch can be aged 14½— 26. Young Leaders are aged 15-18 and help within a younger Unit i.e. Ladybirds. Rangers are aged 14½-21 and undertake a programme of designed by the members of the Ranger Unit.

Senior Branch offers the opportunity to experience adventure, enjoy international events, develop self-confidence and grow in independence.

Many people think you can only be a member of Senior Branch (a Senior Brancher) if you have been in Guiding since you were small. That's not true! You can jump in and get involved at any age. There's a way for everyone who wants to belong to take part – even if you're busy with lots of activities.

- You can join a Senior Branch Unit that meets regularly
- You can focus on one aspect of Girl Guiding – outdoors or global development for example and then take time off for other activities in your life
- You can customise your experience so that you can focus on going to events and travelling – and there are plenty of places to go
- You can also join to help with the younger Branches and get special acknowledgement for that work
- You can join to complete your Bronze, Silver or Gold Gaisce
- You can become a Leader with a Ladybird, Brownie or Guide Unit
- Guiding is here to be exactly what you want it to be and it's an experience that is all about what you want to make it. Our programme allows you to be who you want to be, try new activities, and take up new challenges.
